

TO REGISTER FOR A WDTS TRAINING PROGRAM:

Step 1 – Complete the Training Registration Form

- Victorian Canine Association or Dogs Victoria members must include their VCA Membership number. VCA members are not required to pay the \$8.00 VCA Public Liability Insurance Levy—their VCA Membership includes this levy.
- VCA Public Liability Insurance Levy of \$8.00 is charged for every trainer at their first training program in a calendar year. The Levy is forwarded to the VCA, and covers trainers participating in sanctioned Club activities for the whole calendar year.
- The cost for a Training Program (4 weeks) is \$40.00 unless the trainer has a valid Concession Card, which reduces the cost for the four-week program to \$30.00 (on presentation of the card).
- “Double Dogs Discount” means a second dog & handler living at the same address may be eligible for a 50% (of full fee) discount on training fees.
- The Club does not reimburse trainers for missed sessions or give discounts for trainers’ inability to attend all four sessions in a program. The Club may provide credits for training sessions under specific circumstances—at the discretion of the Chief Instructor (or their nominee).

Step 2 – Paying for your Program

- Take your completed Training Registration Form and the applicable fee to the Secretary’s Office (window at the south end of the Clubrooms). Your money will be taken & your Registration Form will be stamped to indicate that you have paid the appropriate fee.

Step 3 – Class Enrolment

- Take your stamped Training Registration Form & your **vaccination certificate** to the Class Enrolment tables, where your details will be entered onto the appropriate Class Roll—at the discretion of the Chief Instructor (or their nominee).

New Training Registrations are only accepted on the day of the first session of a program.

Registration is from 10:00 am until 10:30 am—Puppies & Lifeskills 1 & 2

Registration is from 11:15 am until 11:45 am—Dog Sport / Trialling (Memb)
